Chairman's Speech

Pawan Kumar Gupta

Chairman

Dear Shareholders,

I welcome you all to the 38th Annual General Meeting of HSCC (India) Limited. The Annual Report for the Financial Year ended March 31, 2021 along with Directors Report, Audited Annual Accounts and Auditors Report of the Company are with you and with your permission, I take them as read. Let me now share with you the performance of the Company during the year. I shall also update you on the strategic outlook and outline the roadmap for the Company's future growth.

Background

HSCC (India) Limited, erstwhile Hospital Services Consultancy Corporation was set-up in the year 1983 under the aegis of the Ministry of Health and Family Welfare (MoHFW), with a mission to provide consulting services, from concept to commissioning for the Healthcare Sector in India. HSCC has steadily progressed and grown during its journey of over 38 years. The Company has always been debt-free and profit-making, which is a strong validation of the Company's capabilities and strengths.

HSCC (India) Limited became wholly owned subsidiary of NBCC (India) Limited on December 24, 2018.

HSCC has been tremendously benefitted by knowledge sharing, expertise and execution methods of Parent Company. Leveraging these strengths of NBCC, HSCC is poised to enter and explore new business avenues across construction and infrastructure space.

Business Opportunities and Project Portfolio

Over the years, HSCC has created a special niche in Healthcare Consulting. Its comprehensive expertise includes Hospital Planning, Design, detailed Engineering, Project Management, Quality Control as well as

Procurement, Supply, Installing, and Commissioning of Medical Equipment. HSCC is capable of providing end-to-end multi-disciplinary support in Healthcare: from feasibility study and tender documentation to procurement and project management encompassing civil, electrical, IT, and auxiliary areas.

Key Projects

During the year, HSCC has secured new projects of Up gradation of District Hospitals to Medical Colleges at 12 locations in Rajasthan viz. Dausa, Bundi, Banswara, Hanumangarh, Jhunjhunu, Tonk, Karauli, Nagaur, Sawai Madhopur, Jaisalmer, Alwar, Baran; and Upgradation of existing Medical Colleges at Pali and Churu in Rajasthan.

During the year, HSCC has substantially completed projects of All India Institute of Medical Sciences, Raebareli; Super Speciality Blocks at Goa Medical College, Goa, OPD, IPD, Accident & Emergency Block at LHMC, Delhi and Mother & Child Block & VIP Paid Ward at AIIMS, New Delhi.

Major On-going Domestic projects during the year were construction of All India Institute of Medical Sciences at Nagpur, Kalyani, Mangalagiri and Rajkot; Advanced Neurosciences Centre at PGI, Chandigarh; Government Medical College, Chandrapur; Geriatrics Block at AIIMS, New Delhi; Hostel at RML Hospital, New Delhi; Academic and Hostel Blocks at Rajkumari Amrit Kaur College of Nursing, Delhi; Mizoram Institute of Medical Education & Research (MIMER), Falkwan; Super Speciality Blocks of Indira Gandhi Medical College at Shimla; 100 bedded Hospital at ESIC Siliguri; Regional Institute of Medical Science (RIMS), Imphal; Regional Cancer Centre at North East Indira Gandhi Regional Institute of Health & Medical Science (NEIGRIHMS), Shillong; etc. Major ongoing International Projects are Teaching Hospital at Mauritius; Cancer Hospital, Mauritius; Mediclinics in Mauritius at 5 locations.

Major projects completed in earlier years are National Cancer Institute for AIIMS at Jhajjar; OPD Block & Burns and Plastic Block at AIIMS, New Delhi; Super Speciality Block & Emergency Blocks at Safdarjung Hospital, New Delhi; Chittaranjan National Cancer Institute at Kolkata; Super Speciality Blocks under PMSSY at 14 locations. HSCC has also completed major International Projects in earlier years like ENT Hospital, Mauritius; 150-bedded Hospital at Dickoya, Sri Lanka; Emergency and Trauma Centre at Bir Hospital, Kathmandu; Modernization of General Hospital, Sittwe and Childrens Hospital, Yangon (Myanmar).

Performance Overview

The year 2020-21 has been tough for the industry and COVID-19 pandemic has impacted economy throughout the World but its impact on the construction and infrastructure sector has been quite extensive. However, through sustained efforts and with the support of Government of India, HSCC was able to steer through the pandemic and made profit of Rs. 982.40 lakh for stakeholders with a top line of Rs. 1,292.89 crore.

A final dividend of 216.05% on the paid up equity share of Rs. 100 each is proposed in line with Company's aim to enhance Shareholder value creation. In addition to this, the company has paid an Interim dividend of 111% on the Paid up Share of Rs. 100 each.

Challenges & Opportunities

The healthcare space has become increasingly competitive with increased participation from private and public sector players. This is creating a downward pricing pressure and affecting margins. However, emerging opportunities in healthcare are far bigger. There is a dearth of availability of number of hospitals, beds, doctors, and other medical facilities and talent in the Country. The Government is determined to bridge this gap with a massive push to enhance and upgrade the entire healthcare sector; with target of providing healthcare facilities for all citizens of the Country. This includes creation of new facilities as well as re-development and up-gradation of existing hospitals across the country. The demand from private

sector in healthcare is also witnessing a renewed surge as more domestic and international players enter the fray. Another unfolding opportunity is in overseas countries in the SAARC region, which are also looking at a huge push in healthcare. HSCC being a pioneer in providing varied range of healthcare consultancy is poised to attain new heights with these developments and aim to bag a big chunk of these projects in near future.

Conclusion and Gratitude

I believe we have the right building blocks in right place for a phase of sustained growth and expansion in the years to come. We are on track to achieve our goal of developing into a world-class consultancy organization with a proven niche in healthcare. I am confident with your support and faith; we will be successful.

As I conclude, I would like to take this opportunity to express my sincere gratitude to our Administrative Ministry i.e. Ministry of Housing and Urban Affairs (MoHUA), the members on the Board, and officials of various state and central ministries for their continued support. My sincere thanks to all our stakeholders, without whose help, the Company would not have been able to deliver a stellar performance in the execution of projects and most importantly to each and every employee of HSCC for the commitment and unflinching effort –a big thank you!

I would also like to thank all our shareholders, stakeholders, and our bankers for their sustained faith and trust in HSCC, and assure you that we will leave no stone unturned to continue delivering value.

Furthermore, I would also like to pay gratitude to the frontline health workers, sanitation workers, law enforcement agencies and other essential service providers who had worked tirelessly during this difficult period; I would also like to pay my homage to the employees who lost their family member during the pandemic.

Yours sincerely,

-sd-

Growth Vision

To be a leading consulting company providing value-added, innovative and integrated services for enhancing healthcare in India and overseas, leveraging its core competence in other infrastructure projects and providing an invigorating and enabling work environment to its professional employees.

In order to develop into a world class Consultancy Organization, thrust is on diversifying and expanding the operations.

Corporate Governance

The philosophy of the Company is to ensure transparency in its dealings and compliance of country's laws and regulations in order to promote ethical conduct of business. i.e. observing, transparency, integrity, professionalism, accountability and proper disclosure.

Acknowledgement

In conclusion, on behalf of the Board of Directors and on my own behalf, I extend sincere thanks for the valuable guidance, support and cooperation extended to the Company by our Parent Company NBCC (India) Limited, Ministry of Housing & Urban Affairs, Ministry of Health & Family Welfare, Ministry of External Affairs and stakeholders. I thank all our esteemed shareholders for their continued support, whose trust and confidence are pillars of strength in our entire endeavour.

I also place on record my sincere thanks to all our valuable Clients - Ministry of Health & Family Welfare, Ministry of External Affairs, AIIMS Delhi, PGI Chandigarh, Govt of Mauritius, Govt. of Punjab & Haryana, Govt. of Kerala, Govt. of Himachal Pradesh, Govt. of Chhattisgarh, Govt. of Uttar Pradesh and other Business Associates for the continuous support and reposing confidence in us. The Company, as always, will remain focused on customer satisfaction.

I also like to thank the CAG, Statutory Auditors and Internal Auditors of the Company for their valuable co-operation.

I place on record the appreciation to the hardwork, commitment and unstinting efforts put in by your Company's employees at all levels. In return to your cooperation and support extended to me, I promise to take your company to new and commanding heights.

Thanking you,

Sd/-

The Company is engaged in rendering comprehensive consultancy services in the field of Hospital planning, design, detail engineering, quality control, project management and monitoring as well as procurement, supply, installation and commissioning of medical equipment's for the projects assigned to it by the Ministry of Housing and Urban Affairs, Ministry of External Affairs, Private and Public Sector Organizations as well as various State Governments.

HSCC has adopted an integrated approach to projects, drawing on its pool of expertise to provide the best combination to evolve client specific, cost effective and innovative solutions. HSCC has successfully completed major healthcare projects comprising hospital, medical colleges, laboratories etc. not only in India but in many countries. The Company has also diversified its activities in the areas of Hospital Waste Management, Hospital Computerization, health related Management studies and training & recruitment etc.

HSCC has over the years evolved as a pioneer organization in the field of Healthcare consultancy. The Company at present executing work all over India but focuses increased business in North-Eastern Region.

Strength:

- Debt free and Profit-making Company since inception.
- GOI backing and support.
- Wide range of consulting services under single roof.
- Extensive experience of handling multi-lateral/international agencies funded projects.
- Strong project experience, with ability in handling complex and large projects.
- Performing organization through quality and timely completion of projects.
- Qualified and committed and lean and thin work force.

Weakness:

- Difficult to compete with private players.
- Inability to stem attrition
- Most business is generated from clients in the Government and Public Sector
- Revenue model is based on one-time projects rather than recurring services generating constant revenue streams or assured business support
- Limited number of specialized Vendors / Agencies

Opportunities:

- The Country is lagging behind in terms of number of hospitals, beds, doctors, nurses and other paramedical staff.
- Redevelopment and up-gradation of existing hospitals.
- Expansion of business in SAARC Countries.
- Scope of diversification in other Building Engineering and Maintenance services.
- Demand for basic healthcare infrastructure (in both public and private sectors) set to rise.
- Handholding Opportunities for hospitals and outsourcing of hospital activities in government hospitals
- Leveraging basic architectural, design, engineering, project management and procurement skills in like infrastructure development activities.

Threats:

- Business Projects shifting to North East with longer gestation / completion period, unavailability of timely funds leading to spread of turnover over longer time.
- Attrition of experienced personnel in view of burgeoning private sector operations.
- MOH&FW policy shift from supporting their PSUs and inviting private sector as an alternative source of consulting services.
- Fragmented market with a large no. of private sector and public sector competitors extreme low fee
- Increasing commoditization of basic D&E skills due to large number of players gaining experience due to the infrastructure boom
- Non-availability of land causes halt in projects, reasons beyond control
- Competition among PSU firms for nomination for projects and non-related diversification by them causes business loss and lack of large assignments
- Decrease in Fee for procurement projects resulting in loss in business propositions in micro small assignments.

Outlook:

HSCC is a multi-disciplinary renowned consultancy and procurement management service organization in the health care and other social infrastructure development sectors. Its service spectrum covers feasibility studies, design engineering, detailed tender documentation, construction supervision, comprehensive project management, procurement support services in all areas of civil, electrical, mechanical, information technology and auxiliary medical service areas. Its important clients include:-

- Ministry of Health & Family Welfare and its Hospitals / Institutes
- Ministry of External Affairs and other Ministries
- State Governments and their Hospitals / Institutes
- PSUs / Other Institutes
- Government of Mauritius

In order to develop into a world class Consultancy Organization, thrust is on diversifying and expanding the operations such as Building Engineering and maintenance services and also the client base of the Company.

Risks & Concerns

The main risk and the area of concern for the Company are reduction in procurement assignments from concerned Ministry and constant/reduced consultancy fee in some of civil works in current scenario.

IT related initiatives

- Internet connection has been installed at Corporate Office and the Units.
- Various departments at Corporate Office are linked up through Local Area Network (LAN).
- E-Tender Activity.

SEGMENT REPORTING

Based on the guiding principles given in Indian Accounting Standard Ind AS-108 "Segment Reporting" the Company's business segments include construction activity, consultancy, supply of equipment, medicine etc. Hence, all its operation falls under single segment within the meaning of Indian Accounting Standard Indian AS-108 "Segment Reporting".

Since the Company's activities are primarily within the country and considering the nature of product/ services it deals in, operating risks and returns are same and as such there is only one segment.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has an efficient system of internal control for achieving the business objectives of the Company which inter-alia includes accuracy and promptness of financial reporting. Efficiency of operation, compliance with the laid down policies and procedures and compliance with law and regulations.

To ensure independence to the internal audit function emphasizing transparency in the systems and internal controls, the internal audit of the Company is entrusted to external firms of Chartered Accountants. The reports of Internal Audit are periodically submitted to the management for corrective action.

HUMAN RESOURCES DEVELOPMENTS

POLICY ON CORPORATE SOCIAL RESPONSIBILITY & SUSTAINABILITY AT HSCC (INDIA) LTD

Background

The Government of India enacted the Companies Act 2013 in August 2013. Section 135 of the Companies Act deals with the subject of Corporate Social Responsibility (CSR). It lays down the qualifying criteria based on net worth, turnover and net profit for companies which are required to undertake CSR activities and specifies the broad modalities of selection, implementation and monitoring of the CSR activities by the Board of Directors of the Company. The activities which may be included by companies in their CSR policies are listed in schedule VII of the Act. The provisions of Section 135 of Act and Schedule VII of the Act apply to all the companies including CPSEs.

It is mandatory for all profit making CPSE's to undertake CSR activities as per the provisions of the Act and the CSR Rules. The CPSEs are expected to spend at least 2% of the average net profit of the three immediately preceding financial years on CSR activities as stipulated in the Act and the CSR Rules.

The Ministry of Corporate Affairs has formulated CSR Rules under the provisions of the Act and issued the same on February 27, 2014. The CSR Rules are applicable to all the companies including CPSEs.

Recently Guidelines on Corporate Social Responsibility and Sustainability for CPSE's issued by DPE which are effective from April 1, 2014, intended to reinforce the complementarity of CSR & sustainability and to advise the CPSEs not to over look the larger objective of sustainable development in the conduct of business and in pursuit of CSR agenda.

CSR Policy

HSCC is a concerned corporate citizen and recognizes its responsibility towards the community and believes in working for the betterment of the weaker & marginalised sections of the society.

HSCC is committed to implement the Guidelines on Corporate Social Responsibility issued by the Department of public Enterprises, Government of India and National Voluntary Guidelines of Business issued by the Ministry of Corporate Affairs, Government of India.

Vision

To actively contribute to the social and economic development of the locality or areas of activity in which the company operates. In doing so, alleviate the sufferings of the weaker sections of society.

Identification and Implementation

- (i) HSCC will identify projects/activities to be undertaken in the following broad areas:
- Health Care & Sanitation
 - Clean drinking water
 - Provision of toilets especially for girls in rural schools
 - Scholarships for students
 - Other welfare categories identified from time to time

- (ii) Thrust will be given to Health & Family Welfare and other social sectors as a natural corollary to the company's business.
- (iii) Investment in CSR will be based on the criteria specified by the Department of Public Enterprises.
- (iv) The CSR activity undertaken will be with a view to generate community goodwill, create social impact and visibility.
- (v) The CSR activity should help in building a positive image of the company.
- (vi) For every project/activity, the time frame and periodic milestones will be finalized at the outset.
- (vii) Project activities identified under CSR will be implemented by Specialized Agencies.

Such specialized agencies would include:

- Community based organizations whether formal or informal
- Elected local bodies such as Panchayats
- Voluntary Agencies (NGOs)
- Institutes/Academic Organizations
- Self-help groups
- Government, Semi Government & autonomous organizations
- SCOPE
- Mahila Mandals/Samitis and the like
- Contracted agencies for civil works
- Professional Consultancy Organizations etc

Every care will be taken to ensure that there is no duplication of CSR activities undertaken by HSCC with that of the programmes run by Central, State and Local Governments.

Wherever CSR projects are assigned to specialized agencies, every possible effort would be made to verify the reliability and clean track record of such agencies. HSCC may also select from panels maintained by the Government, Semi-Government, Autonomous Organization or the National CSR hub etc.

Provisions with respect to CSR Activities as indicated in Companies Act, 2013

The Board of every company referred to in sub-section (1), shall ensure that the company spends, in every financial year, at least two per cent. of the average net profits of the company made during the three immediately preceding financial years, in pursuance of its Corporate Social Responsibility Policy.

- (c) Under the provision of section 178 of the Companies Act, 2013 and rules made there under and clause 5.1.1 of DPE Guidelines in respect of Remuneration Committee which doesn't comprise all its directors as parttime Director/ Non-Executive Director.**

We further report that:

The Board of Directors of the Company is duly constituted except the requisite number of independent director on the Board which wasn't there from 01st April, 2020 to 26th April, 2020. The changes in the composition of the Board of Directors that took place during the period under review were carried out in

compliance with the provisions of the Act. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meetings.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

We further report that there was no prosecution initiated against or show cause notice received by the Company during the year under review.

1. We further report that, during the audit period, the Company had no specific event/action having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standard etc. except that during the year under review a forensic Audit was going on which was initiated last financial year 2019-20 by the NBCC (India) Limited ("Holding Company") for the fraudulent bank transaction by the company in the bank account with Indian overseas Bank, Sector-1, Noida. The Audit is still under progress and the report of the forensic auditor is yet to be received.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF HSCC (INDIA) LIMITED FOR THE YEAR ENDED 31 MARCH 2021

The preparation of financial statements of **HSCC (INDIA) LIMITED** for the year ended 31 March 2021 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 18 June 2021.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of **HSCC (INDIA) LIMITED** for the year ended 31 March 2021 under section 143(6) (a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditor and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matter under section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

A. COMMENT ON AUDITORS' REPORT

Point no. 8 of the Independent Auditor's Report states that there are unreconciled balances of inter projects of Rs. 85.15 lakh (Previous year Rs. 228.14 lakh). However, the amount of previous year unreconciled balances of inter projects is Rs. 22.81 lakh instead of Rs. 228.14 lakh. Accordingly, the Independent Auditor's Report is deficient to that extent.

Report on the Audit of the Standalone Ind AS Financial Statements

Qualified Opinion

1. We have audited the accompanying standalone Ind AS financial statements of HSCC (India) Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss (including other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as Standalone Ind AS Financial Statements).
2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects/ possible effects of the matters described in the Basis for Qualified Opinion paragraph, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read together with the Companies (Indian Accounting Standards) Rules, 2015 as amended, and other accounting principles generally accepted in India, of the state of affairs (financial position) of the company as at 31st March 2021 and its profit, (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date..

Basis for Qualified Opinion

3. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone Ind AS financial statements.
4. As detailed in Note No. 48 and 49 to the standalone Ind-AS financial statements, significant transactions of Doubtful Reliability, amounting to Rs. 2,926.00 lakhs were noticed in company's bank account with Indian Overseas Bank, Noida in the financial year 2017-18. The final amount of "Transactions of Doubtful Reliability" has still not been determined, as the report of forensic auditors, appointed by the holding company, has not been received. A provision was made for Rs 2,926 lakhs in financial year 2017-18 out of Reserves as at 1st April 2017. The Bank reconciliation statements for the said bank accounts are also pending for reconciliation. In the absence of adequate information about the extent and volume of such transactions, the consequential effect on the standalone Ind-AS financial statements of the company, if any, is presently not ascertainable.
5. Information of the cases reported/ enquired/ under enquiry by the Chief Vigilance Officer has not been provided to us by the company. The impact of the same on the standalone Ind AS financial statements of the company, if any, is presently not ascertainable.

6. The Company has not provided us information regarding the projects which have been completed and handed over to Ministries! Clients and the projects which have been completed but not handed over to the clients and the status of financial closure in books of accounts for such projects. The consequential impact, if any, arising out of such projects on the financial statements, could not be presently ascertained. Audit report on the standalone Ind AS financial statements for the previous year ended 31 March 2020 was also qualified in respect of this matter.
7. The company does not have an effective system of obtaining balance confirmation and performing reconciliation of balances in respect of trade receivable, claims recoverable from/payable, trade payable, retention money, client deposit funds, EMD, Security Deposits (Receivable and Payable), balances of ministries, clients and claims payable. Due to nonavailability of confirmation and reconciliations of the aforementioned account balances, we are unable to quantify the impact of the adjustments, if any, arising from reconciliation and settlement of account balances on the financial statements of the company. Audit report on the standalone Ind AS financial statements of the company for the previous year ended 31 March 2020 was also qualified in respect of this matter.
8. There are unreconciled balances of inter projects of Rs. 85.15 lakhs (Previous year: Rs.228.14 lakhs) for receivables and Rs. 244.22 lakhs (Previous year: Rs.52 1.74 lakhs) for payables. The consequential impact, if any, arising out of such non reconciliation could not be presently ascertained. Audit Report on the standalone Ind AS financial statements of the company for the previous year ended 31 March, 2020 was also qualified in this matter.

Emphasis of Matter

9. Reference is invited to Note No 3 of the Standalone Ind-AS financial statements of the company, whereby construction has not been commenced on leasehold land, having book value of Rs 389.16 Lakhs, whereas as per the lease deed the construction was to be completed by 21st April 2017. The company has not applied for the extension of time for construction on the said plots of land. Consequently, The New Okhla Industrial Development Authority reserves the right to resume the said property.

Our report is not qualified on that matter.

10. Reference is invited to Note No 50 of the Standalone Ind-AS financial statements of the company, regarding the possible effects of uncertainties relating to COVID-19 on company's operations and results as assessed by the management.

Our report is not qualified on that matter.

Information other than the Standalone Financial Statements and Auditor's Report Thereon

11. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis Report and Report on Corporate Governance but does not include the standalone Ind AS financial statements and our auditors' report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and in doing so consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work

we have performed we conclude that there is a material misstatement of this other information we are required to report that fact.

When we read the other information if we conclude that there is a material misstatement therein we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances and the applicable laws and regulations.

Responsibility of Management for Ind AS Standalone Financial Statements

12. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
 13. In preparing the standalone Ind AS financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
 14. Those Board of Directors are also responsible for overseeing the company's financial reporting process.
- Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

15. Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.
16. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal

financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
17. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit, We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

18. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure I**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
19. As required by section 143(5) of the Act, we give in "**Annexure II**" a statement based on the directions issued and matters specified by the Comptroller and Auditor General of India.
20. Further to our comments in Annexure I and II, as required by section 143 [3] of the Act, based on our audit we report that:
- a. We have sought and, except for the matters/ effects/ possible effects of the matters described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. Except for the effects/ possible effects of the matters described in the Basis for Qualified Opinion paragraph, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and reports of other auditors;
 - c. Except for the effects/ possible effects of the matters described in the Basis for Qualified Opinion paragraph, the standalone Ind AS financial statements dealt with this report are in agreement with the books of accounts.
 - d. Except for the effects/ possible effects of the matters described in the Basis for Qualified Opinion paragraph, in our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - e. Since, the company is a Government Company, section 164(2) of the Companies Act, 2013 regarding obtaining written representations from the directors of the Company, is not applicable to the company in terms of notification no. GSR-463(E), issued by Ministry of Corporate Affairs;
 - f. The qualification relating to maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph.

- g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure-III**";
- h. As per notification number GSR 463(E) dated 5th June 2015 issued by the Ministry of Corporate Affairs, section 197 of the Act regarding remuneration to director is not applicable to the company, since it is a Government Company; and
- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone md AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education & Protection Fund by the Company.

ANNEXURE-III TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF HSCC (INDIA) LIMITED

Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of HSCC (India) Limited ('the Company') as of 31 March 2021 in conjunction with our audit of the standalone Ind-AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depends on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Companies internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary

to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

Accordinging the information and explanations given to us and based on our audit the following material weakness/ es have been identified as at 31st March 2021:

- i. The company does not have an Information Technology Policy in operation. This could result in potential breach in respect of data integrity, confidentiality, unauthorised access to IT systems of the company.
- ii. The Company does not have an effective Information Systems Audit to evaluate and test the IT general controls, which may affect the completeness, accuracy and reliability of the reports generated from IT System.
- iii. The maker checker concept for voucher posting and authenticating in ERP is deficient, resulting in posting the entries in wrong heads/ wrong amounts/ duplicates posting without manual approval and this could potentially materially misstate various captions in the financial statements.
- iv. The company does not have an effective system of obtaining balance confirmation and performing reconciliation of balances in respect of trade receivable, claims recoverable from/payable, trade payable, retention money, client deposit funds, EMD, Security Deposits (Receivable and Payable), balances of ministries, clients, Client General and claims payable. This could potentially result in Company materially misstating the assets and liabilities in the financial statements.
- v. The company does not have a system of segregation of User-Rights in the ERP system, resulting in incorrect entries being passed by employees, which may result in potential misstatement in the financial statements.
- vi. The company does not have a system of entering banking transactions on real time basis, and various transactions are entered after the end of the month on preparation of Bank Reconciliation statement. This could lead to delay in identification of "Transactions of Doubtful Reliability", and thereby further delaying appropriate action.
- vii. The company does not have control over financial closure of Projects, which have been handed over and projects completed but not handed over to the client. This may potentially result in the company materially misstatement of the assets and liabilities.
- viii. The company does not have the system of reconciliation of payable or recoverable amongst the projects which could potentially result in material misstatement of assets and liabilities.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, because of the effects/ possible effects of the material weakness/ weaknesses described above on the achievement of the objectives of the control criteria, the company has not maintained adequate and effective internal financial controls over financial reporting as of 31st March 2021, based on internal control over financial reporting criteria established by the company considering the essential components of Internal Control stated in the Guidance Note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company as at and for the year ended 31 March 2021, and these material weaknesses have affected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements..

MANAGEMENT REPLY TO STATUTORY AUDITOR'S QUALIFICATIONS ON FINANCIAL STATEMENT ON THE BASIS OF AUDITORS' REPORT (HSCC) INDIA LIMITED AS ON MARCH 31, 2021

S. No.	Auditor's Qualifications	Management Reply
1.	As detailed in Note No. 48 and 49 to the standalone Ind-As financial statements, significant transactions of Doubtful Reliability, amounting to Rs. 2926.00 lakhs were noticed in company's bank account with Indian Overseas Bank, Noida in the financial year 2017-18. The Final amount of "Transactions of Doubtful Reliability" has still not been determined, as the report of forensic auditors, appointed by the holding company, has not been received. A provision was made for Rs 2,926 lakhs in financial year 2017-18 out of Reserves as at 1st April 2017. The Bank reconciliation statements for the said bank accounts are also pending for reconciliation. In the absence of adequate information about the extent and volume of such transactions, the consequential effect on the standalone Ind-AS financial statements of the company, if any, is presently not ascertainable	<i>The provision amounting to Rs. 2926.00 lacs was made during the year 2018-19 considering the comments of CAG audit for the year 2017-18. The forensic audit is in progress. Hence the final identification of amount recoverable/ debit/reversal (as required) on account of these transactions will be made after receipt of forensic audit report in HSCC.</i>
2.	Information of the cases reported/ enquired/ under enquiry by the Chief Vigilance Officer has not been provided to us by the company. The impact of the same on the standalone Ind-AS financial statements of the company, if any, is presently not ascertainable.	<i>The details of court cases and arbitration cases as on 31.3.2021 have already been provided. The cases related to matter of vigilance pertains to disciplinary matter and hence impact of the same cannot be ascertained.</i>
3.	The Company has not provided us information regarding the projects which have been completed and handed over to Ministries/ Clients and the projects which have been completed but not handed over to the clients and the status of financial closure in books of accounts for such projects. The consequential impact, if any, arising out of such projects on the financial statements, could not be presently ascertained. Audit report on the standalone Ind AS financial statements for the previous year ended 31 March 2020 was also qualified in respect of this matter.	<i>Efforts have been made during the year and one project of NIB, Noida has been financially closed. The reconciliation of financial closure of other projects is also in progress. All the clients are Central government, state government autonomous bodies and other PSUs. Full efforts will be made for financial closure of physically completed and handed over projects in consultation with client.</i>

<p>4.</p>	<p>The company does not have an effective system of obtaining balance confirmation and performing reconciliation of balances in respect of trade receivable, claims recoverable from/ payable, trade payable, retention money, client deposit funds, EMD, Security Deposits (Receivable and Payable), balances of ministries, clients and claims payable. Due to non-availability of confirmation and reconciliations of the aforementioned account balances, we are unable to quantify the impact of the adjustments, if any, arising from reconciliation and settlement of account balances on the financial statements of the company. Audit report on the standalone Ind AS financial statements of the company for the previous year ended 31 March 2020 was also qualified in respect of this matter.</p>	<p><i>The company has a system of obtaining the balance confirmation and during the year letters have been sent to the client on quarterly basis for balance confirmation. However, due to global pandemic of COVID-19, since March 2020 the confirmation certificates are not reverted by the client.</i></p> <p><i>The efforts have been made for the creditors also and some balance confirmation certificates have been sent to Statutory Auditors directly.</i></p> <p><i>The company is executing the projects of Central Government, State Government and other PSU's. The confirmation of balance from client is being done as per establish accounting practice. Full efforts will be made to collect the confirmation certificates in upcoming years.</i></p>
<p>5.</p>	<p>There are un-reconciled balances of inter projects of Rs. 85.15 lakhs (Previous year: Rs. 228.14 lakhs) for receivables and Rs. 244.22 lakhs (Previous year: Rs. 521.74 lakhs) for payables. The consequential impact, if any, arising out of such non reconciliation could not be presently ascertained. Audit Report on the standalone Ind AS financial statements of the company for the previous year ended 31 March,2020 was also qualified in this matter.</p>	<p><i>The inter project receivable/payable ledgers are in regular reconciliation process and is being done by the company, which has resulted in reduction of balances from previous year. Some are the balances prior to 2018-19 are old and for which forensic audit is in progress.</i></p>

NOTE TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2021

1. CORPORATE INFORMATION

1.1 NATURE OF PRINCIPAL ACTIVITIES

HSCC (India) Limited, a Mini Ratna (Category I company), is a Government of India Enterprise engaged in rendering comprehensive range of professional services as consulting and executing agency for construction activities in healthcare & other social sectors in India and abroad that includes Conceptual Studies, Management consultancy, Project Management, Logistics & Installation, Procurements, Information Technology, design & engineering and Healthcare facility design.

1.2 GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH IND AS

The Company is incorporated and domiciled in India with registered office at New Delhi. The Company is headquartered in New Delhi, India. The principal place of business is at Noida, Uttar Pradesh.

The Financial Statements of the Company have been prepared in accordance with the Companies (Indian Accounting Standards) Rules 2015 issued by Ministry of Corporate Affairs ('MCA'). The Company has uniformly applied the Accounting Policies during the period presented.

The decision of Strategic Disinvestment of the Company to NBCC India Ltd. has been taken by Govt. of India vide letter no. F. No. 3/8/2016-DIPAM-II-A (pt.) dated 13/09/2018 & D.O. No. 3/8/2016-DIPAM-IIA (pt.) dated 13/09/2018. The 100 percent paid up equity share capital of the Company along with Management control has been transferred to NBCC (India) Limited at a price of Rs. 285 Crores in December-2018.

Unless otherwise stated, all amounts are stated in Lakhs of Rupees.

The Standalone Financial Statement for the year ended 31 March 2021 are authorized and approved for issue by the Board of Directors on June 18, 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared using the Accounting Policies and measurement basis summarized below.

2.1 FOREIGN CURRENCY TRANSLATION

Functional and Presentation Currency

The financial statements are presented in Indian Rupee ('INR'), which is company's functional Currency.

Foreign Currency Transactions and Balances

Foreign Currency transactions are recorded in the reporting Currency, by applying to the Foreign Currency amount the exchange rate between the Reporting Currency and the Foreign Currency at the date of the transaction.

Foreign Currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items which are measured in terms of historical cost denominated in a Foreign Currency are reported using the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items, or on reporting such monetary items of the Company at rates different from those at which they were initially recorded during the year, or reported

in previous Financial Statements, are recognized as income/ expenses in the year in which they arise. Where such transactions are on behalf of clients, the gain / loss is transferred to respective clients' accounts

2.2 REVENUE RECOGNITION

The Company derives revenues primarily from Project Management Consultancy and Procurement services. Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties. The Company recognizes revenue when it transfers control over a product or service to a customer.

a) Project Management Consultancy

In case of PMC contracts, the Company undertakes to perform tasks such as geotechnical investigations, topographical surveys, resource-planning, preparing detailed engineering designs and supervising execution of works etc. Due to the high degree of interdependence between the various elements related to these services, they are accounted for as a single performance obligation and the revenue is recognized over time based on the input method of measuring progress, as the customer receives and uses the benefits simultaneously.

Revenue in respect of design, engineering, Studies, DPR, MOU, Training, Information Technologies is recognized as income over the period based on the input method of the cost incurred for which the bills are raised in respect of fees due as per terms of agreement with the client.

b) Procurement service

The Company undertakes to purchase an asset on behalf of the customer and the revenue is recognized on net basis over time based on the input method of measuring progress as the Company' has ability to make reliable estimates, arising from its significant historical experience on similar systems.

Revenue includes:

1. Work done for which only letters of intent have been received, however, formal contracts / agreements are in the process of execution.
2. Work executed and measured by the Company pending certification by the client
3. Work executed but not measured/ partly executed is accounted for at engineering estimate.
4. Extra / Substituted items and the Claims lodged against clients to the extent considered realizable.

2.3 OTHER INCOME

Interest income is reported on an accrual basis using the Effective Interest Rate method. Interest income on mobilisation advances given to contractors recoverable is recognised using simple interest method which approximates the effective interest rate.

Interest income on mobilisation advances given to contractors is netted off from interest payable to client on such mobilisation advances.

Interest income on bank deposits held on behalf of client is netted off from interest payable to client on such deposits.

2.4 INTANGIBLE ASSETS

Recognition

Intangible assets are initially measured at cost of acquisition thereof. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent Measurement (Amortization)

Amortization on Intangible Assets is charged on the straight line method on the basis of rates arrived at with reference to the useful life of the assets evaluated and approved by the Management.

Asset category	Estimated useful life (in years)
Intangible Assets

De-recognition

An item of Intangible Asset or any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss Account when the asset is derecognised.

2.5 PROPERTY, PLANT AND EQUIPMENT

Recognition

Properties Plant and Equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria (in case of qualifying assets) are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its Property, Plant and Equipment recognised as at 1 April 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of the Property, Plant and Equipment.

Subsequent measurement (Depreciation)

Depreciation on Property, Plant and Equipment is charged on straight line method either on the basis of rates arrived at with reference to the useful life of the assets evaluated by the Management or rates arrived at based on useful life prescribed under Part C of Schedule II of the Companies Act, 2013. The following useful lives are applied:

Asset category	Estimated useful life (in years)
Buildings	
Building (other than factory buildings)	60 Years
Other (including temporary structure, etc.)	03 Years
Plant and Machinery used in civil construction	12 Years
Furniture and fittings	10 Years
Motor Vehicles	08 Years
Office equipment	05 Years
Computers and data processing units	
Servers and networks	06 Years
End user devices viz. desktops, laptops, etc.	03 Years

Premium paid on land where lease agreements have been executed for specified period are written off over the period of lease proportionately. Building comprises Boundary Wall, Scooter Shed & Tube Well which are depreciated by taking useful life of 5 years.

Property, Plant and Equipment individually costing upto INR 10,000 are fully depreciated in the year of acquisition.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

De-Recognition

An item of Property, Plant and Equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss account when the asset is derecognised.

2.6 LEASES

Company as a Lessee

At inception of a contract, the company assess whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Recognition:

1. "Right of Use (ROU) Asset":

At the commencement date, the company recognise a right-of-use asset and a lease liability, except

- a. For lease with a term of twelve months or less (Short term leases) and,
- b. Leases for which the underlying asset is of low value.

For short term leases and assets of low value the company recognises the lease payments as an operating expense on a straight-line basis over the term of lease.

2. "Lease Liability"

At the commencement date, the company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the effective interest rate.

Subsequent measurement

1. "Right of Use (ROU) Asset"

After the commencement date, the company measures the right-of-use asset at cost less any accumulated depreciation and is subject to impairment losses.

The following useful lives are applied:

Asset category	Lease Term (including extension)
Leasehold Land	90 Years
Buildings	5 Years

2. "Lease Liability"

After the commencement date, the company measure the lease liability by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications.

After the commencement date, the interest element of lease payments is charged to Statement of Profit and Loss, as Finance Costs over the period of the lease.

The residual values, useful lives and methods of depreciation of right of use are reviewed at each financial year end and adjusted prospectively, if appropriate.

De-Recognition

A right of use asset initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the right of use asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss account when the right of use asset is derecognised.

Company as a Lessor

Finance Lease

The company recognises assets held under a finance lease as a receivable at an amount equal to the net investment in the lease. The company further recognises finance income over the lease term, based on straight-line basis reflecting a constant periodic rate of return on the net investment in the lease.

Operating lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Assets leased out under operating leases are capitalized. Rental income is recognized on straight-line basis over the lease term except where scheduled increase in rent compensates the Company with expected inflationary costs.

2.7 IMPAIRMENT OF NON FINANCIAL ASSETS

Carrying amount of assets is reviewed at each reporting date where there is any indication of impairment based on internal/ external indicators. An impairment loss is recognised in the Statement of Profit and Loss where carrying amount exceeds recoverable amount of assets. Impairment loss is reversed, if, there is change in recoverable amount and such loss either no longer exists or has decreased or indication on which impairment was recognised no longer exists.

2.8 FINANCIAL INSTRUMENTS

Financial Assets

Initial recognition and measurement

Financial Assets and Financial Liabilities are recognised when the company becomes a party to the contractual provisions of the Financial Instrument and are measured initially at fair value adjusted for transaction costs.

Subsequent Measurement

Debt instruments at Amortised Cost—A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

After initial measurement, such Financial Assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

De-recognition of Financial Assets

A Financial Asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial Liabilities

Initial recognition and measurement

All Financial Liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the Financial Liabilities is also adjusted. Financial Liabilities are classified as amortised cost.

Subsequent measurement

Subsequent to initial recognition, these liabilities are measured at Amortised Cost using the Effective Interest Rate method.

De-recognition of Financial Liabilities

A Financial Liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. Consequently write back of unsettled credit balances and invoked bank guarantee is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognised in Other Operating Revenues.

Further when an existing Financial Liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.9 IMPAIRMENT OF FINANCIAL ASSETS

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for Financial Assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company consider the following –

- All contractual terms of the Financial Assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade Receivables

As a practical expedient the Company has adopted 'simplified approach' using the provision matrix method for recognition of expected loss on trade receivables. The provision matrix is based on three years rolling

average default rates observed over the expected life of the trade receivables and is adjusted for forward-looking estimates. These average default rates are applied on total credit risk exposure on trade receivables and outstanding for more than one year at the reporting date to determine lifetime Expected Credit Losses.

Other Financial Assets

For recognition of impairment loss on Other Financial Assets and Risk Exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

2.10 INCOME TAXES

Tax expense recognised in Profit and Loss comprises the sum of Current Tax and Deferred Tax not recognised in Other Comprehensive Income or directly in Equity.

Calculation of Current Tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred Income Taxes are calculated using Balance Sheet Approach. The Current Tax and Deferred Tax so calculated are adjusted for the uncertainty of tax treatment by the tax authorities at each reporting date.

Deferred Tax Liabilities are generally recognised in full for all taxable temporary differences.

Deferred Tax Assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

2.11 CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents comprise Cash in hand, Balances in Bank Account, Remittance in Transit, Cheques in hand and Demand Deposits, together with other short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

2.12 EQUITY, RESERVES AND DIVIDEND PAYMENTS

Share capital represents the nominal value of shares that have been issued. Any transaction costs associated with the issuing of shares are deducted from retained earnings, net of any related income tax benefits.

Other components of equity includes Other Comprehensive Income (OCI) arising from actuarial gain or loss on re-measurement of defined benefit liability and return on plan assets

Retained earnings include all current and prior period retained profits. Annual dividend distribution to shareholders is recognised as a liability in the period in which the dividend is approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend payable and corresponding tax on dividend distribution is recognised directly in equity.

2.13 NON CURRENT ASSETS HELD FOR SALE

Non-current assets and disposal groups are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset (or disposal group) and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets and disposal groups classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell. The determination of fair value less costs to sell includes use of management estimates and assumptions.

2.14 POST-EMPLOYMENT BENEFITS AND SHORT-TERM EMPLOYEE BENEFITS

Defined Contribution Plan

Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate fund and will have no legal or constructive obligation to pay further contributions, which are recognised as an expense in the period that related employee services are received.

(a) Provident Fund

Provident fund contributions are made to a trust administered by the PF Trust. The interest rate payable to the members of the trust shall not be lower than the statutory rate of interest declared by the Central Government under the Employees Provident Funds and Miscellaneous Provisions Act, 1952 and shortfall, if any, shall be made good by the Company.

(b) Pension plan

Contributions to defined contribution schemes such as superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Contribution to Employees pension scheme is made out of employer's share of Provident Fund

(c) Medical Facility

The Company has Medical benefit scheme under which employees on regular pay scales including retired employees are provided medical facilities. The Scheme is funded by the Company and is managed by a separate Trust namely "HSCC Employees' Medical Fund Trust". The contribution to the Trust is recognized in Profit & Loss Account

Defined Benefit Plan

(a) Gratuity:

The Company provides for retirement / post-retirement benefits in the form of gratuity. The Scheme is funded by the Company and is managed by a separate Trust namely "HSCC Employees' Gratuity Fund Trust". The Company has taken a Group Gratuity cum Life Insurance Policy from the Life Insurance Corporation of India. The liability for the same is recognized on the basis of amount payable to Life Insurance Corporation of India being calculated by them on actuarial valuation using projected unit credit method on annual basis. All actuarial gains and losses in respect of the defined benefit plans are recognised in the Other Comprehensive Income in the year in which they arise.

Other Long Term Benefits

(a) Compensated absence:

Company's liability towards Earned Leave and Half Pay Leave is determined by independent actuary, at the year-end using the Projected Unit Credit Method.). The Scheme is unfunded and the obligation is recognized in Profit & Loss Account on the basis of independent actuarial valuation using projected unit credit method on annual basis Actuarial gains or losses are recognised in the Profit and Loss

(b) Travelling Allowance

Company's liability towards Travelling Allowance is determined by independent actuary, at the year-end using the Projected Unit Credit Method.). The Scheme is unfunded and the obligation is recognized in Profit & Loss Account on the basis of independent actuarial valuation using projected unit credit method on annual basis Actuarial gains or losses are recognised in the Profit and Loss

Other short Term Employee Benefits

Short term benefits comprise of employee costs such as Salaries, Bonus, PRP etc. are measured and accrued in the year in which the associated services are rendered by employees of the Company.

Employee Separation Costs

Ex-gratia to employees who have opted for retirement under the Voluntary Retirement Scheme of the Company is charged to Statement of Profit and Loss in the year of acceptance of the option by the management.

2.15 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions recognised by the Company include provisions for Warranties, Research & Development, Sustained development, Contingencies, and Corporate Social Responsibility (CSR). A provision is recognised when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Provisions are discounted to their present values, where the time value of money is material.

Contingent Liabilities are disclosed on basis of judgment of management after a careful evaluation of facts and legal aspects of matter involved.

Contingent Assets are disclosed when probable and recognised when realization of income is virtually certain.

2.16 ARBITRATION AWARDS

Arbitration / Court's awards along with related interest receivable/payable are, to the extent not taken into accounts at the time of initiation, are recognized after it becomes decree. Permanent Machinery of Arbitration, Govt of India, is accounted for on finalisation of award by the appellate authority. Interest to/from in these cases are accounted when the payment is probable which the point is when matter is considered settled by management.

2.17 LIQUIDATED DAMAGES

Liquidated Damages / Compensation for delay in respect of clients/ contractors, if any, are accounted for when payment is probable which is the point when matter is considered settled by management.

2.18 PRIOR PERIOD EXPENDITURE/ INCOME

Expenditures / Incomes relating to prior periods and considered not material has been accounted for in the respective head of accounts in the current year.

2.19 SIGNIFICANT MANAGEMENT JUDGEMENT IN APPLYING ACCOUNTING POLICIES AND ESTIMATION UNCERTAINTY

Financial Statements are prepared in accordance with GAAP in India which require management to make estimates and assumptions that affect the reported balances of assets, liabilities and disclosure of contingent liabilities at the date of the financial statements and reported amounts of income & expenses during the periods. Although these estimates and assumptions used in accompanying Financial Statements are based upon management's evaluation of relevant facts and circumstances as of date of Financial Statements which in management's opinion are prudent and reasonable, actual results may differ from estimates and assumptions used in preparing accompanying Financial Statements. Any revision to accounting estimates is recognized prospectively from the period in which results are known/ materialise in accordance with applicable Indian Accounting Standards.

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below.

The following are Significant Management Judgements in applying the Accounting Policies of the Company that have the most significant effect on the Financial Statements.

Recognition of Deferred Tax Assets - The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for Impairment of Assets - The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Property, Plant and Equipment - Management assess the remaining useful lives and residual value of property, plant and equipment and believes that the assigned useful lives and residual value are reasonable

Estimation Uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below.

Revenue Recognition - Where revenue contracts include deferred payment terms, the management determines the fair value of consideration receivable using the expected collection period and interest rate applicable to similar instruments with a similar credit rating prevailing at the date of transaction.

Recoverability of Advances/ Receivables - The Project heads, Zonal heads and Regional/Strategic Business groups from time to time review the recoverability of advances and receivables. The review is done at least once in a financial year and such assessment requires significant management judgement based on financial position of the counter-parties, market information and other relevant factors.

Defined Benefit Obligation (DBO) - Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may impact the DBO amount and the annual defined benefit expenses.

Contingencies - Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

Provisions for Warranties - Management's estimate of the warranties is based on engineering estimates and variation in these assumptions may impact the provision amount and the annual warranty expenses.

Liquidated Damages - Liquidated Damages receivables are estimated and recorded as per contractual terms; estimate may vary from actuals as levy on contractor.

Uncertainties relating to the global health pandemic from COVID-19 - Management has considered the possible effects that may result from the pandemic relating to COVID-19 on various assets. In developing the assumptions relating to the possible future uncertainties the management, has used internal and external sources of information including economic forecasts. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

2.20 STANDARDS ISSUED AND ARE EFFECTIVE

The Ministry of Corporate Affairs (MCA) through Companies (Indian Accounting Standards) Amendment Rules, 2020 has notified amendments to certain Ind AS. The Company applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 April 2020. The Company has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

1. Amendments to Ind AS 1 and Ind AS 8

Definition of Materiality:

The amendments provide a new definition of materiality that states, "information is material if omitting, misstating or obscuring it could reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements, which provide financial information about a specific reporting entity. The amendments clarify that materiality will depend on the nature or magnitude of information, either individually or in combination with other information, in the context of the financial statements. A misstatement of information is material if it could reasonably be expected to influence decisions made by the primary users. These amendments had no impact on the financial statements of, nor is there expected to be any future impact to the company.

2. Amendments to Ind AS 103:

Definition of a Business:

The amendment to Ind AS 103 Business Combinations clarifies that to be considered a business, an integrated set of activities and assets must include, at a minimum, an input and a substantive process that, together, significantly contribute to the ability to create output. Furthermore, it clarifies that a business can exist without including all of the inputs and processes needed to create outputs. These amendments had no impact on the financial statements of the company, but may impact future periods had the Company enter into any business combinations.

3. Amendments to Ind AS 107 and Ind AS 109

Interest Rate Benchmark Reform:

The amendments to IFRS 9 and IAS 39 Financial Instruments: Recognition and Measurement provide a number of reliefs, which apply to all hedging relationships that are directly affected by interest rate benchmark reform. A hedging relationship is affected if the reform gives rise to uncertainty about the timing and/or amount of benchmark-based cash flows of the hedged item or the hedging instrument. These amendments have no impact on the financial statements of the Company as it does not have any interest rate hedge relationships.

4. Amendments to Ind AS 116

Covid-19 Related Rent Concessions:

The amendments provide relief to lessees from applying Ind AS 116 guidance on lease modification accounting for rent concessions arising as a direct consequence of the Covid-19 pandemic. As a practical expedient, a lessee may elect not to assess whether a Covid-19 related rent concession from a lessor is a lease modification. A lessee that makes this election accounts for any change in lease payments resulting from the Covid-19 related rent concession the same way it would account for the change under Ind AS 116, if the change were not a lease modification. The company do not observe any such case during the year hence there is no impact of the amendment.

5. Conceptual Framework for Financial Reporting:

The Conceptual Framework is not a standard, and none of the concepts contained therein override the concepts or requirements in any standard. The purpose of the Conceptual Framework is to assist in developing standards, to help preparers develop consistent accounting policies where there is no applicable standard in place and to assist all parties to understand and interpret the standards. This will affect those entities which developed their accounting policies based on the Conceptual Framework. The revised Conceptual Framework includes some new concepts updated definitions and recognition criteria for assets and liabilities and clarifies some important concepts. These amendments had no impact on the financial statements of the Company.

6. Amendments to CSR requirement

The Ministry of Corporate Affairs (MCA) has amended the Companies (Corporate Social Responsibility Policy) Rules, 2014 through a notification dated 22 January 2021, these amendments have introduced some significant changes that require better understanding to ensure compliance. The amendments, amongst others, mandatorily require utilisation of the unspent amount earmarked for CSR activities, failing which it would be transferred to a fund specified in Schedule VII of the Companies Act, 2013. Resultantly, the Company will have to make a provision towards unspent CSR spent, if any, at the end of the year, after deducting the provision created for the CSR activity completed, if applicable and as provided.

The amendments also permit a company which spends an amount in excess of the prescribed CSR amount of 2%, to set-off excess amount against the requirement to spend up to immediately succeeding three financial years subject to the fulfilment of certain conditions. As per the guidance issued by the ICAI, in case the Company, decides to adjust excess amount spent against future obligation, then an asset would have to be recognised to the extent of such excess amount spent.

2.21 STANDARDS ISSUED BUT NOT EFFECTIVE

On March 24, 2021, Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet

- a. Lease liabilities should be separately disclosed under the head duly distinguished as current or non-current.
- b. Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.

- c. Specified format for disclosure of shareholding of promoters.
- d. Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- e. If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- f. Specific disclosure under regulatory such as compliance with approved schemes of arrangements compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of Profit and Loss

- a. Additional Disclosures relating to Corporate Social Responsibility (CSR), undisclosed income, and crypto or virtual currency specified under the head “additional information” in the Notes to Accounts forming part of the standalone financial statements.

The requirements are extensive and the company is evaluating the same for giving effect as required by the law.

Total	378.96	2,661.35

*During the year ended March 31, 2020, the effective corporate tax rate has been reduced from 34.944% to 25.168% on account of insertion of new section 115BAA of Income Tax Act, 1961. By virtue of this tax rate reduction, the net deferred tax asset available to company has been decreased and corresponding tax expense has been increased significantly. The profit of company is decreased for the year ended on March 31, 2020 by Rs. 1,082.60 lakhs.

Note -32A: Uncertainty over income tax treatment**a. Appeal pending before Income Tax Appellate Tribunal of FY 2013-14 (AY 2014-15)**

The income tax return of FY 2013-14 (AY 2014-15) went under scrutiny assesment as per the section 143 of Income Tax Act, 1961. The company had claimed the net refund of Rs. 232.60 lakhs in income tax return of said year. The assessing officer had passed adhoc order and reduced the refund to zero. The company went before the CIT (Appeals) against the order of assessing officer. The CIT (Appeals) maintained the order of assessing officer and accepted the no refund order of assessing officer. The company had filed appeal before the Income Tax Appellate Tribunal against the order of CIT (Appeals). The case has still undecided. However, the company has made a contingent liability of Rs. 42.14 lakhs. The company believes that the orders of CIT (Appeals) will not be maintainable and it is probable that it would successfully defend the ground of appeal before Income Tax Appellate Tribunal. Hence, the company has not recognised any amount in respect of such uncertainty.

b. Scrutiny Assessment of FY 2017-18 (AY 2018-19)

The income tax department send the Intimation u/s 143(1) of Income Tax Act, 1961 showing additions to taxable income and disallowance of credit of dividend distribution presented in income tax return of said year. The same adjustment has been confirmed in scrutiny assessment u/s 143(3) of Income Tax Act, 1961. The income tax department has raised the demand of Rs. 318.27 lakhs (after adjusting refund Rs. 112.75 lakhs). The company has filed an appeal against such order before CIT (Appeals). The case has still undecided. However, the company has made a contingent liability of Rs. 431.02 lakhs. The company

believes that the orders of assessing officer will not be maintainable and it is probable that it would successfully defend the ground of appeal before CIT (Appeals) on the basis of interpretations of tax law, facts of the case and prior experience of litigations. Hence, the company has not recognised any amount in respect of such uncertainty.

c. Expense claimed on provisional/estimation basis

During the FY 2020-21, the company has earned the interest income on the fund lying in pool account on behalf of client and transferred to client's fund (expenditure) of Rs. 250.81 lakhs (Previous Year Rs. 844.60 lakhs) (See Note no. 26). The said expenditure is calculated on estimation/provisional basis which is disallowable by income tax department. In order to save future penalty/interest, the company will be paying current tax through disallowing the said expenditure and simultaneously creating deferred tax asset in tax computation. The final deduction will be claimed whenever the actual interest will be claimed by the client. Hence, there will always be uncertainty over income tax base of Rs. 1,095.41 lakhs (Rs. 844.60 lakhs + 250.81 lakhs) and consequently on current tax expense as well as deferred tax expense on it.

Risks Associated with Plan Provisions

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follow:

Salary Increases	Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Investment Risk	If Plan is funded then assets & liabilities would mismatch & actual investment return on assets would be lower than the discount rate assumed at the last valuation date which can impact the liability.
Discount Rate	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality & disability	Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

FINANCIAL ASSETS AND LIABILITIES

Fair value disclosures

(i) Fair Value Hierarchy

Financial Assets and Financial Liabilities measured at fair value in the Balance Sheet are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: The fair value of Financial Instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.
- Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(ii) Financial assets and liabilities measured at fair value - recurring fair value measurements

The Company does not have any financial instruments which are measured at Fair value either through statement of profit and loss or through other comprehensive income.

(iii) Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows:

NOTE - 44

Financial Risk Management

The Company's activities expose it to credit risk, liquidity risk and market risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the Financial Statements.

(A) Credit Risk

The Company is exposed to credit risk from its Operating Activities (Primarily Trade Receivables) and from its Investing Activities including Deposits with Banks and Financial Institutions and other Financial Instruments.

(i) Credit Risk Management

The Company assesses and manages credit risk of Financial Assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of Financial Assets.

A: Low Credit Risk on financial reporting date

B: Moderate Credit Risk

C: High Credit Risk

The Company provides for Expected Credit Loss based on the following:

Asset group	Basis of categorisation	Provision for expenses credit loss
Low Credit Risk	Cash and Cash Equivalents, other Bank Balances and other Financial Assets	12 month expected credit loss
Moderate Credit Risk	Trade Receivables	Life time expected credit loss
High Credit Risk	Trade Receivables and other Financial Assets	Life time expected credit loss or fully provided for

In respect of Trade Receivables, the company recognises a provision for lifetime Expected Credit Loss.

Based on business environment in which the Company operates, a default on a Financial Asset is considered when the counter party fails to make payments within the agreed time period as per contract or decided later based upon the factual circumstances on case to case basis. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in Statement of Profit and Loss.

				1,29,059.67	2,12,509.19

2. Assets and Liabilities Related to Contracts with Customers

The following table provides information about receivables, contract assets and contract liabilities from contract with customers: (₹ in Lakhs)

Description	As at March 31, 2021	As at March 31, 2020
	Current	Current
Contract liabilities related to sale of service		
Advance from customers	256,216.26	207,746.19
Revenue received in advance	6,257.41	7,117.88
	262,473.67	214,864.07
Contract Assets related to sale of service		
Trade receivables	8,135.27	10,130.38
Less: Allowance for expected credit loss	(2,174.56)	(2,009.44)
Net receivables	5,960.71	8,120.94
Unbilled revenue	15,446.69	9,415.82
	21,407.40	17,536.76

A receivable is a right to consideration that is unconditional upon passage of time. Revenue from the contracts is recognized upon satisfaction of Performance obligation.

Invoicing to the clients is based on milestones as defined in the contract. This would result in the timing of revenue recognition being different from the timing of billing the customers. Revenue in excess of billing is recorded as unbilled revenue and is classified as a contract asset. Any amount previously recognised as a contract asset is reclassified to trade receivables on satisfaction of the condition attached i.e. future service which is necessary to achieve the billing milestone.

Invoicing in excess of revenue recognised is classified as revenue received in advance. Any amount previously recognised as revenue received in advance is recognised to revenue on satisfaction of the performance obligation over the construction period.

3. Revenue Recognised in Relation to Contract Liabilities
